

Schools and the COVID-19 Vaccine Rollout

Event

4.01.21

12:00 p.m. – 1:00 p.m. EDT

With states and the federal government rolling out COVID-19 vaccines to K–12 educators and staff, now is the time for schools to consider how to implement a successful vaccination policy. This webinar will discuss key issues that schools should consider when deciding how to implement a mandatory or encouraged vaccination program, exemption requirements, positive and negative incentives, on-campus vaccination centers, the challenge of addressing parents and employees who point to changing CDC guidelines on masking and social distancing for vaccinated individuals.
