

# Law Week Colorado Interviews Denver Partner About Employer Vaccination Policies

News  
4.07.21

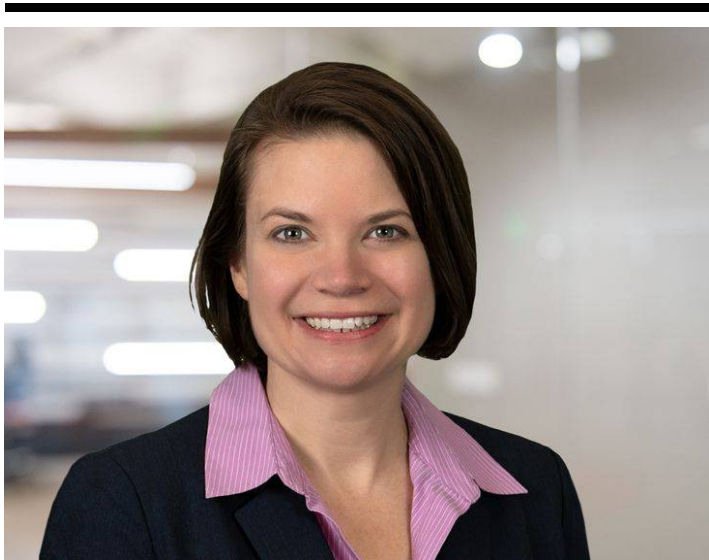

In an interview with *Law Week Colorado*, **Kristin White** weighed-in on whether employers can – and should – require employees to get the COVID-19 vaccine. Kristin explains that she has seen more employers choose to encourage rather than mandate the vaccine, and part of their encouragement has been in the form of educating employees about the benefits of the vaccine. She explains that education efforts “have included compiling resources on company intranet sites so employees can learn about vaccine priority groups, how to register and safety information.” Kristin goes on to discuss other considerations for employers as they consider COVID-19 vaccine policies at their companies.
