

Workplace Safety Co-Chair Weighs-in on Issues Raised by Latest CDC Mask Guidance

News
5.14.21

In an interview with *Bloomberg Law*, **Travis Vance** weighs-in on the latest CDC mask guidance and what it means for employers. Travis points out that the CDC's guidance raises some issues for employers, including concerns about compliance with anti-discrimination laws. He explains that the new guidance will likely create a situation in which there are two sets of workers – vaccinated and unvaccinated – and employers will need to be very careful not to discriminate between the two groups.
