

Workplace Safety Partners Interviews on Safety Planning and Risk Mitigation

News

8.20.21

In an interview with The True Safety Podcast, **Ed Foulke** discusses best practices for amplifying a company's safety planning and policies. Covering a variety of issues—from leading and lagging indicators to COVID action plans—Ed advises that clear communication is often the key to success. "The safety profession needs more and more to be understanding what the C-Suite language is. How do we talk about risk? Because all businesses focus on risks," he says.
