

FP Employers' Exclusive: Interactive Deep Dive into National Vaccine Mandate

Event

9.23.21

12:00 PM — 1:30 PM EDT

Cost: \$49 per person

In a follow-up to our wildly popular “Five-Step Plan for Employers After President Biden Announces Workplace Vaccine Mandates” webinar, we’re bringing you another edition – but this time we’re diving deeper. We’ll review the most common questions we’ve received from employers about the impending OSHA emergency rule that will require you to either mandate the COVID-19 vaccine or implement weekly testing, and spend 90 minutes doing nothing but answering as many we can.

We’ll touch on topics such as determining company size, timing of the ETS, how remote employees will be treated, who pays for COVID testing, and much more. Join the leaders of our Workplace Safety, Wage and Hour, and Vaccine Subcommittee groups for this exclusive webinar as they field your burning questions and provide the practical guidance you’ve come to expect from the lawyers at Fisher Phillips throughout the pandemic.

If you have any questions, please contact **Brooke Cassens**.

*Fisher Phillips is committed to providing access to all of our events for disabled attendees. Automated closed captioning is available for all of our webinars. For other accommodation inquiries, please give us three business days advance notice prior to the scheduled event by contacting **Brooke Cassens**. Thank you.*
