

Comprehensive FAQs for Employers on the OSHA Vaccine Emergency Temporary Standard

Insights

11.05.21

Federal workplace safety officials just released the mandate-or-test workplace vaccine emergency rule, and employers are sure to have questions. The Emergency Temporary Standard (ETS) developed by the Occupational Safety and Health Administration (OSHA) will require all covered employers with 100 or more employees to either mandate their workforce receive the vaccination against COVID-19 or test them weekly to ensure they are not infected. Below is a comprehensive series of Frequently Asked Questions about the ETS – released yesterday and with an effective date of today – that will enable you to expertly navigate this new requirement.
