

Jon Leibowitz, Truyo, Egnyte, and Fisher Phillips on US Privacy

PRESENTED BY PRIVACYOC

Event

9.13.22

8:30 AM — 9:30 AM PST

Federal privacy legislation has been nothing more than wishful thinking in the US for years leaving states to define their own regulations. With the introduction of the American Data Privacy & Protection Act (ADPPA) the chance of seeing an overarching law is within reach. Join us for an expert discussion featuring former Chair of the FTC Jon Leibowitz on what the introduction of ADPPA spells out for possible federal legislation, how it could change the way US companies manage privacy, and what it would mean for the patchwork of existing state laws as states like Virginia, Connecticut, and Colorado seek to fill the void.

Presented by:

Jon Leibowitz | Partner, Davis Polk & Wardwell and Former Chairman, FTC
