

Ron Pierce Pens Article on New Wave of 401(k) Excessive Fee Lawsuits

Publication

11.10.22

In an article published in *Employee Benefit Plan Review*, **Ron Pierce** discusses a recent 401(k) excessive fee lawsuit and provides insights on how plan sponsors can make themselves less attractive targets for such suits. And he encourages employers to review their practices for selecting and monitoring plan service providers and investments to avoid the potential for costly litigation that could put the company at risk.
