

Lawyers Breakdown Workplace Issues for Philadelphia Employers Amid COVID-19 Pandemic

Publication

3.25.20

With the COVID-19 pandemic impacting just every aspect of life, employers in Philadelphia are left wondering how to legally manage their workforce during this unprecedented time. In their article published by the Philadelphia Business Journal, Rick Grimaldi and Luke McDaniels discuss four things that every employer in Philadelphia should know about how the crisis interacts with new federal legislation, the Worker Adjustment and Retraining Notification Act, state and local legislation, and workplace safety.
