

Search Firms

Please do not send an unsolicited resume to the firm. Any resume received without explicit approval will be considered an "unsolicited resume" and no fee will be paid to the agency. To submit a candidate, please send a blind profile without the candidate's name or identifying information to recruiting@fisherphillips.com and a member of our team will get back to you. Blind submissions and resumes sent directly to attorneys at Fisher Phillips or others outside of the Recruiting & Professional Development team will not be accepted.

If you do not currently have an Agreement in place with Fisher Phillips, please email recruiting@fisherphillips.com and our team will reach out to you.
