

Philadelphia Attorney Provides Employers With 6 Antitrust Compliance Tips From MLB Probe

Publication

1.24.23

In a bylined article published in *Law360*, **Mohamed Barry** provides antitrust compliance tips for employers based on a recent Major League Baseball probe. In 2022, the league announced that it had concluded an investigation into possible collusion between the New York Mets and New York Yankees, with no evidence of collusion found. Mohamed outlines the details of this investigation and six key takeaways that employers can learn from this case on antitrust law compliance.
