

CA Hospitality Webinar Series: Sexual Harassment in the Workplace

WHAT RESTAURANT OWNERS CAN WE LEARN FROM 80'S SITCOM'S WORKPLACE ROMANCES?

Event

6.11.24

10:00 AM — 11:00 AM PDT

Love is in the air. From Valentine's Day to Spring Fever to Summer Loving – according to recent research, it has likely found its way to your workplace. Even with the rise of remote work, office romances are commonplace, which illustrates the importance of setting expectations to minimize your legal risk – as well as the impact on employee morale – when relationships sour. You should be realistic when developing your policies, account for company culture, and communicate your expectations with employees. This webinar will cover four key points to consider as you decide whether your policies on office relationships need to be revamped to reflect the modern realities of the workplace.

The firm will submit this program for HRCI and SHRM credit.
