

Deep Dive into the US DOL's New Overtime Rule - Answering Your Questions

Event

Our last webinar reviewing the impending USDOL Overtime Rule was one of our most popular ever – and saw us get flooded with too many questions to answer. So let's see how many of those questions we can answer for you.

Join the leaders of FP's Wage and Hour Practice Group for this exclusive follow-up webinar where we'll answer the top 10 questions employers posed at our last webinar and then spend the rest of the webinar fielding as many questions from the audience as time allows. The first jump in USDOL's new OT Rule takes effect on July 1, 2024 – so the time for developing a plan is now. This is a must-attend event for employers across the country.

The firm will submit this program for HRCI and SHRM credit.

If you have any questions, please contact **Brandice Johnson**.
