

Agricultural Webinar Series: New PAGA Amendments: What Does It Mean for Agricultural Employers?

Event

8.13.24

12:00 PM — 1:00 PM PDT

Join us this month as we discuss the new PAGA amendments and how it will affect Agricultural employers. What actions should you take now?

California Private Attorneys General Act (PAGA) will see an overhaul that would limit the types of employees who could bring claims, give employers a better chance to cure mistakes, reduce possible penalties, and boost procedural mechanisms that would reduce claims in court. The amendments go beyond what is argued in the courtroom and extend to what executive and human resources professionals should be discussing in the conference room. This presentation will review the amendments, outline proactive steps companies can take under the law to reduce penalties and discuss how these amendments impact businesses on a day-to-day basis.
