

Evan Shenkman and Jennifer Mendez Discuss Best Practices for Firms Implementing Gen AI

News

8.28.24

In a two-part series of Q&A interviews conducted by Thomson Reuter's *Practical Law*, **Evan Shenkman** and **Jennifer Mendez** tackle key issues and best practices for law firms to consider when implementing generative artificial intelligence (AI) tools and they explore several ways smaller firms can leverage generative AI to level the playing field with their larger competitors.

Visit [Expert Q&A on Using GenAI at Law Firms](#) for the first part in the series and [Expert Q&A on How Smaller Firms Can Leverage Generative AI](#) for the second part (subscriptions required).
