We invite you to join us at Terranea Resort in Rancho Palos Verdes, CA, for **Fisher Phillips' third annual PeopleLaw Conference**, where we bring together thought leaders in the PEO, staffing, and gig economy industries to discuss common legal challenges and solutions. You will hear from our firm's PEO and Staffing Group lawyers, along with industry association executives, on the latest trends in a series of engaging and interactive sessions. Each session will provide you practical skills you can put to use right away. You'll also have plenty of time to network with your peers to gain invaluable insights and learn from each other.

The People: You will once again be surrounded by thought leaders from all over the country—and the world—learning from and collaborating with them. The networking opportunities are unparalleled.

The Industry Focus: Nowhere else can you get this combination of legal and business content tailored for these industries:

- Professional Employer Organization (PEO)
- Staffing (temp, long-term, freelance, and healthcare)
- Employer of Record (EOR)
- Managed Services Providers (MSP)
- Human Resources Outsourcing (HRO)
- Any industry deploying gig or independent contractor workers

- Business Process Outsourcing (BPO)
- Vendors and other providers servicing these industries

The Content: PeopleLaw combines legal content with leadership and business intelligence. Topics this year will include:

- **Technology:** What does the future hold and how should leaders prepare for all the new risks that come with technologies like Generative AI?
- **International:** Whether you are international or not, you need to hear what is happening with Workforce Services in other key countries.
- **Politics:** If you were at PeopleLaw 2024, you know our political panel predicted current events with amazing accuracy. What's next?
- **Litigation:** Nuclear verdicts are exploding across the country, and you need to be proactive to avoid becoming the next headline.
- **Leadership:** We can all do better for ourselves and our organizations – we'll give you some practical lessons to take home with you.

Returning speakers include Pat Cleary from Vensure Employer Solutions, Casey Clark from NAPEO and Brittany Sakata from American Staffing Association.

CLE, SHRM and HRCI credits are pending approval.
