You asked, we'll deliver! Due to the overwhelming response to our Post-Election Recap webinar, our Government Relations insiders will be back to answer your questions. Join us for this interactive deep dive session where FP's thought leaders will do nothing but answer your questions about what employers can expect in 2025 and beyond now that the election is settled. We'll spend one full hour going deep to review expected changes in labor law, wage and hour, workplace safety, immigration, and much more – giving you practical guidance showing you how you can prepare your organization for the next few years. This is a must-attend event for in-house counsel, HR executives, board members, managers, business owners, and other leaders who will be helping to shape the future at your business.

The firm will submit this program for HRCI and SHRM credit.
