Wage and hour litigation is a common pain point in the restaurant industry. We are thrilled to invite you to a webinar to learn about strategies to avoid exposure and risk under the Private Attorneys General Act (“PAGA”) by, among other things, taking advantage of newly-enacted legislative changes that allow restaurants and other businesses to reduce exposure up to 85 percent. In this webinar, you will learn:

1. Common wage and hour issues that lead to PAGA litigation in the restaurant industry.
2. Strategies to mitigate penalties before and after a PAGA lawsuit, under the newly-revised PAGA statute.
3. Best practices to avoid class action litigation.

The firm is submitting this webinar for HRCI/SHRM credit.
