New Year, New Administration: What to Expect from MSHA

The new year has brought with it a new administration and changes are on the horizon for all federal agencies, including MSHA. But what can mine operators reasonably expect from the new regime? In this episode, Chris and Arthur offer their thoughts on what may and may not change from MSHA in the new administration. They also offer tips on what to look for in 2025 as new leadership at the agency takes shape.
