

DEI and EEO Compliance

Overview

Helping Employers Navigate the Evolving DEI and EEO Landscape

As diversity, equity, and inclusion (DEI) programs face increasing legal scrutiny, employers must balance their commitment to fostering inclusive workplaces with the need to comply with evolving laws and regulations. Our **DEI and Equal Employment Opportunity Compliance Team** helps businesses design, administer, and continually evaluate legally sound, effective DEI policies and initiatives that align with federal and state requirements while advancing workplace culture and business objectives. Our multidisciplinary approach and breadth of skills blend strategic and practical advice with legal precision. From DEI-related risk mitigation, DEI program structure and review, communications strategy, education, investigations, audit defense, proactive pay equity reviews to defense of discrimination claims, our team of attorneys can provide you with full-service compliance efforts which may be protected under attorney-client privilege.

Why Employers Trust Our DEI and EEO Compliance Team

- **Proactive Risk Management:** We help employers anticipate and navigate shifting legal standards in an era of heightened DEI scrutiny.
- **Multidisciplinary Legal Precision:** Our team consists of attorneys with deep experience in diversity, equity, and inclusion best practices, equal opportunity law, federal contract, and affirmative action compliance, pay equity audits, investigations, communications strategy, education and defense of Title VII, Title IX, disability, and state discrimination claims.
- **Practical Guidance:** We provide real-world strategies that help companies meet business objectives and compliance obligations.

- **Industry-Specific Support:** We advise organizations across industries, from technology and manufacturing to healthcare and finance, tailoring solutions to unique workplace challenges.
- **Global DEI Compliance Alignment:** We assist U.S. companies in meeting international DEI standards and best practices while helping multinational organizations with U.S. operations navigate the evolving U.S. regulatory landscape, ensuring alignment between global policies and new domestic directives.
- **Privileged Audits and Investigations:** We offer the ability to conduct attorney-client privileged audits and investigations for DEI initiatives to allow frank assessments of legal risks and propose alternative activities that meet business objectives in a legally compliant manner.
