

Preparing for Potential Immigration Audits and Raids

CALIFORNIA ASSOCIATION OF WINEGRAPE GROWERS (CAWG)

Event

2.13.25

Fisher Phillips attorneys presented Preparing for Potential Immigration Audits and Raids to the California Association of Winegrape Growers (CAWG). This webinar focused on navigating ICE raids and audits under the Trump Administration. This timely presentation will provide critical insights and actionable strategies for managing labor compliance and safeguarding your business during audits.

Key Topics Covered:

- Best Practices for I-9 Compliance: Learn effective strategies to ensure your business is meeting federal requirements and avoiding costly penalties.
- Conducting Periodic Internal Audits: Understand the importance of regular I-9 audits and how to identify and address potential vulnerabilities in your workforce documentation.
- Labor & Employment Issues During Audits: Gain insights into employment discrimination and wage/hour issues that could arise during ICE audits or investigations.
