The first 100 days of the Trump presidency have brought a whirlwind of activity and uncertainty for employers. From executive orders and agency shifts to regulatory rollbacks and new legal threats, the landscape is already changing – fast. That’s where we come in. Join Government Relations Co-Chair **Ben Ebbink** and Chief Content Officer **Rich Meneghello** for a high-impact, fast-paced breakdown of the top developments affecting your workplace. We’ll cut through the noise to:

- Highlight what’s happened in labor and employment law
- Decode the real-world implications for your organization
- Share practical, actionable guidance to stay ahead of what’s coming

Whether you call the first 100 days tumultuous, transformative, or just plain confusing, this session will get you back on solid ground – and ready for what’s next.
