

Philadelphia Sunrise Solutions Breakfast Series

Event

6.04.14

Please join us for our breakfast series, Sunrise Solutions, on Wednesday, June 4, 2014.

This month's topic:

More Breaking Bad (Behaviors) – Marijuana, Alcohol, Cigarettes, Cursing, Social Media, Tattoos, Piercings, etc.

Long gone are the days of Miss Manners and etiquette classes that provided a common means for respectful interaction within society. Self-centered behavior and inaccurate beliefs about “rights” abound among employees.

Employees often come to work with an attitude of personal freedom that frequently is at odds with employment policies. Provocative speech, nose rings, medical marijuana, and sexting are often mistakenly considered “rights.”

In this session, Fisher Phillips attorneys, J. Freedley Hunsicker Jr. and Christin M. Kim will summarize an employer’s rights to prohibit inappropriate conduct and maintain the work environment best suited to the employer’s needs.
